Inderscience Enterprises Ltd, trading as Inderscience Publishers, of World Trade Center Building II, 29 Route de Pre-Bois, Case Postale 856, CH-1215 Genève 15, Switzerland ("Inderscience")

Please read the notes overleaf and fill in, sign and send this form with the paper manuscript of your Article. This Agreement comes into effect if your Article is accepted for publication.

Please print out this Author Agreement. Read the explanatory notes at the end, fill in, sign and send this form together with the paper manuscript of your Article. This Agreement comes into effect if your Article is accepted for publication.]

So that we can ensure both the widest dissemination and protection of material published in Inderscience's journals, we ask authors to assign world-wide copyright in both print and other media in their papers, including abstracts, to Inderscience. This enables us to ensure copyright protection against infringement, and to disseminate your article, and our journals, as widely as possible.

1. In consideration of the undertaking set out in paragraph 2, and upon acceptance by Inderscience for publication in the Journal, the Author grants to Inderscience, subject to paragraph 5, the exclusive right and licence to publish the Article entitled:

WIRELESS SENSOR NETWORKS FOR SOIL SCIENCE

by JAYANT GUPTA

to be published in INT J. SENSOR NETWORKS (the Journal')

This licence includes the right to publish (subject to paragraphs 3 and 4), including the right to sub-license appropriate publishing or distribution rights, the material in the article in both printed and electronic form; the Article may be published in printed, online, CD-ROM, microfiche or in other media formats.

2. Inderscience hereby undertakes to prepare and publish the Article named in paragraph 1 in the Journal, subject only to its right to refuse publication if there is a breach of the Author's warranty in paragraph 5 or there are other reasonable grounds; in such case Inderscience assigns to the Author any and all copyright and other rights in the Article otherwise assigned to it under this Agreement.
3. The Editor of the Journal and Inderscience are empowered to make such editorial changes as may be necessary to make the Article suitable for publication. Every effort will be made to consult the Author if substantive changes are required.
4. The Author hereby asserts his/her moral rights under the UK Copyright Designs and Patents Act 1988 to be identified as the Author of the Article.
5. The Author warrants that the Article is the Author's original work, has not been published before, and is not currently under consideration for publication elsewhere; and that the Article contains no libellous or unlawful statements and that it in no way infringes the rights of others, and that the Author, as the owner of the copyright, is entitled to make this assignment.
6. If the Article was prepared jointly by more than one author, the Author warrants that he/she has signed authorization from all co-authors to sign this agreement on their behalf.
